Two Thousand Twelve.

Leominster High School will forever be the Blue Devils. The 2012 yearbook staff, chose a theme that recognizes our pride of Leominster High School. The seniors want to acknowledge being devils as an honorable element in their lives. We wish the best of luck to the graduating seniors of 2012. It may seem to be the end of our adventure through adolescence, but it marks the beginning of a marvelous future.

Congrats To The Class Of 2012!

President Letter.

Congratulations Class of 2012! Can you believe these last four years have already come and gone? It feels like only yesterday that we were kids walking through the front doors on our first day of freshman year, nervous about classes, intimidated by upperclassmen, and whether you want to admit it or not, we all got lost our fair share of times. Starting out we were all unsure of what these past four years would have in store for us, but I'm happy to say that the memories we have made are greater than anything we could have imagined. Throughout the years, we have accomplished goals and we have shared laughs, hardships, and unforgettable memories that have made us grow as a class. More specifically the class of 2012. A class that has made us into the people that we are today. As we go on with our lives, whether we stay close together or move apart, I hope that you bring a little bit of Leominster High School with you, and continue to build on the achievements you have made these last four years. We are leaving high school as adults that are well prepared for what the future will bring, but just remember to always do what truly makes you happy, and never give up on following your dreams. Although it may not seem like it now, high school is only a small part of life. We have the rest of our lives to do everything we have ever dreamed of, and as Winston Churchill said,"Now this is not the end. It is not even the beginning of the end. But it is perhaps, the end of the beginning."

Your class president,
Morgan Maynard

Class History

Freshmen Year

As newbies coming into LHS, the class of 2012 took our first steps in August 2008. Throughout the year we tried finding who we were, whether it was in sports, theater, or any other club. We voted for our first class officers: President Alec Dyment, Vice President Ross Potvin, Secretary Maddison Dyment, and Treasurer Wendy Mai. We also voted for our homecoming King and Queen: Shaun Addo and Melissa Stathas. We attended our first Thanksgiving Game against Fitchburg, and unfortunatley lost. The Theatre company put on an awesome show "Little Shops Of Horrors". After finally settling in and getting use to highschool life, the year was almost over. We became more excited for next year and to no longer be the underdogs.

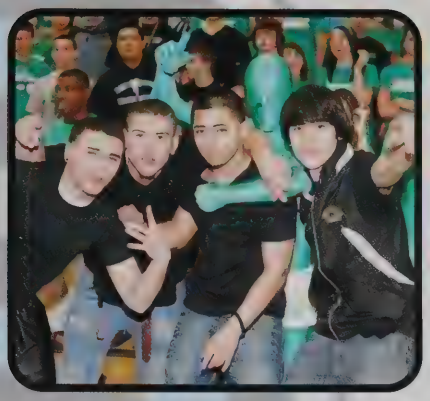

Sophomore Year

No longer the fresh meat, the class of 2012 walked into LHS with no worries. We went back to reconnect with the friends we didn't see during the summer and start our Sophomore year in 2009. We again voted for our class officers: Sofia Yohannas as President, Megan Trombi as Vice President, Maddison Dyment as Secretary, and Wendy Mai as Treasurer. Before we knew it, Homecoming was just around the corner. We voted Shaun Addo and Olivia Bennet as our new Homecoming couple. Attending our second Thanksgiving Game was very exciting, and it ended in a victory with a score of 21-6. As the end came near, we realized we were half way done our inspiring highschool years.

Of 2012

Junior Year

In September 2010, we entered LHS no longer underclassmen. This year had a lot going on for us. We elected our class officers: President: Sofia Yohannas, Vice President: Isabel Paiva, and Secretary: Maddison Dyment. Once introduced to Rachael's Challenge, everyone took a stand against bullying. It moved us in so many ways and motivated us to make a change. Also we won our annual Thanksgiving Game second year in a row! The theatre company produced two wonderful shows called "Almost Maine", and "The Music Man." Our Homecoming Couple was Jeffrey Cheng and Melissa Stathas. We ended this year excited and ready to become big bad seniors!

SENIOR YEAR!

Our last year in high school, The Class of 2012 decided we should go out not with a fizzle but with a bang. Our new Varsity Football Coach Mr. Palazzi lead our team to win our last Thanksgiving Game with a score of 21-14. However, it didn't end there. The team then won the super bowl with the score of 21-6! We elected our new and final class officers: President: Morgan Maynard, Vice President: Isabel Paiva, Secturay: Maddison Dyment, and Treasurer: Bianca Zarella. Also our Homecoming couple was Jeffrey Cheng and Juliette Cormier. Having our school under construction was difficult, walking out of the building and into the portables rain or shine was not enjoyable but we held in there. Our theatre company put on the show "How to Suceed in Business Without Really Trying." It's our last year to shine before we walk across that stage in june, beginning a new chapter in life. We will never forget our incredible time spent at Leominster High School.

PLUMBING

Plumbing is a program that provides students with the skills and knowledge necessary to enter the plumbing trade. It is designed to help students learn how to design, install and work with equipment, material and tools common to the trade.

H.V.A.C.

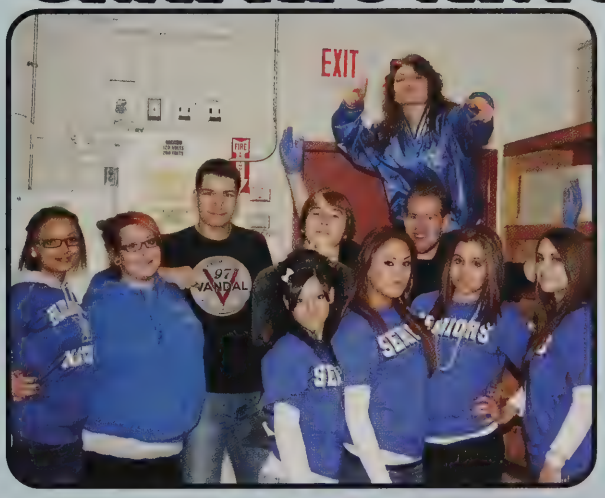

Students in the HVAC program learn safety procedures on how to install, diagnose, and repair heating units. They also learn skills in ventilation, air conditioning and refrigeration systems.

DRAFTING

The Drafting program prepares students to work with basic principles of drafting such as technology, electronics, construction and design repair of blueprints.

GRAPHIC ARTS

The Graphic Arts program prepares students with entry level skills from the printing and graphic arts trade. The learning takes place through hands-on experiences.

AUTO TECH

Auto Tech provides students with tools necessary to obtain entry-level positions in the automotive field. They gain experience repairing vehicles in the shop.

AUTO BODY

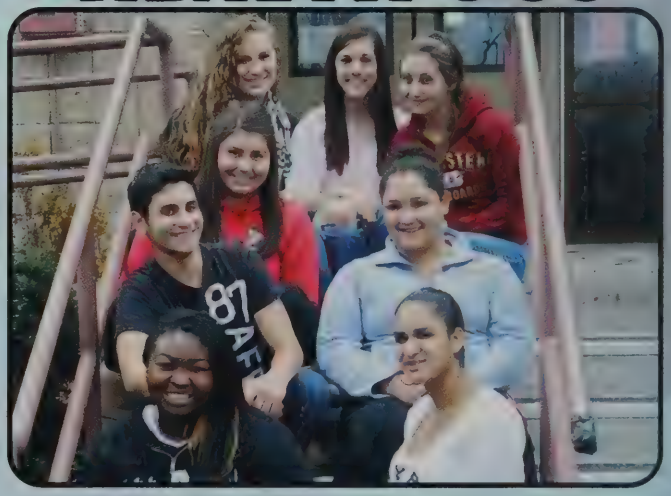

Auto Body provides students with real life experience such as painting, sheet metal, fiber glass, and platsic repairs on automotive vehicles. The students gain job experience by working on actual jobs in the shops.

MACHINE SHOP

Machine Shop prepares students to enter the field of mechanical drafting at the apprentice level. Students are prepared for today's industrial technologies in the shop and through co-op oppurtunities.

HEALTH OCC

The Health Occupations program prepares students for a career in medicine. Providing them with necessary training, which helps its participants learn basic nursing skillls needed to start an occupation in health. Through this trade students have the ability to go out into the community and pursue their vocational aspirations.

CULINARY

The Culinary Arts program provides students with training in food theory, and preparation. The program is divided into four different areas of study that are required to be successful in the food industry. Those different areas are dinning room, class room, kitchen, and bakery.

CARPENTRY

The Carpentry program teaches students valuable skills in the shop. Students build things such as picnic tables, chairs, and shelves. Students also assist in building houses and in the process gain real-life experiences.

ELECTRICAL

The Electrical program provides students with the training necessary to install electrical equipment for heat, light, and power in industrial, residential, and commerical buildings according to Mass Electrical Codes. Installation in new buildings, rewiring old buildings, and trouble shooting of electrical equipment are taught.

COMPUTER TECH

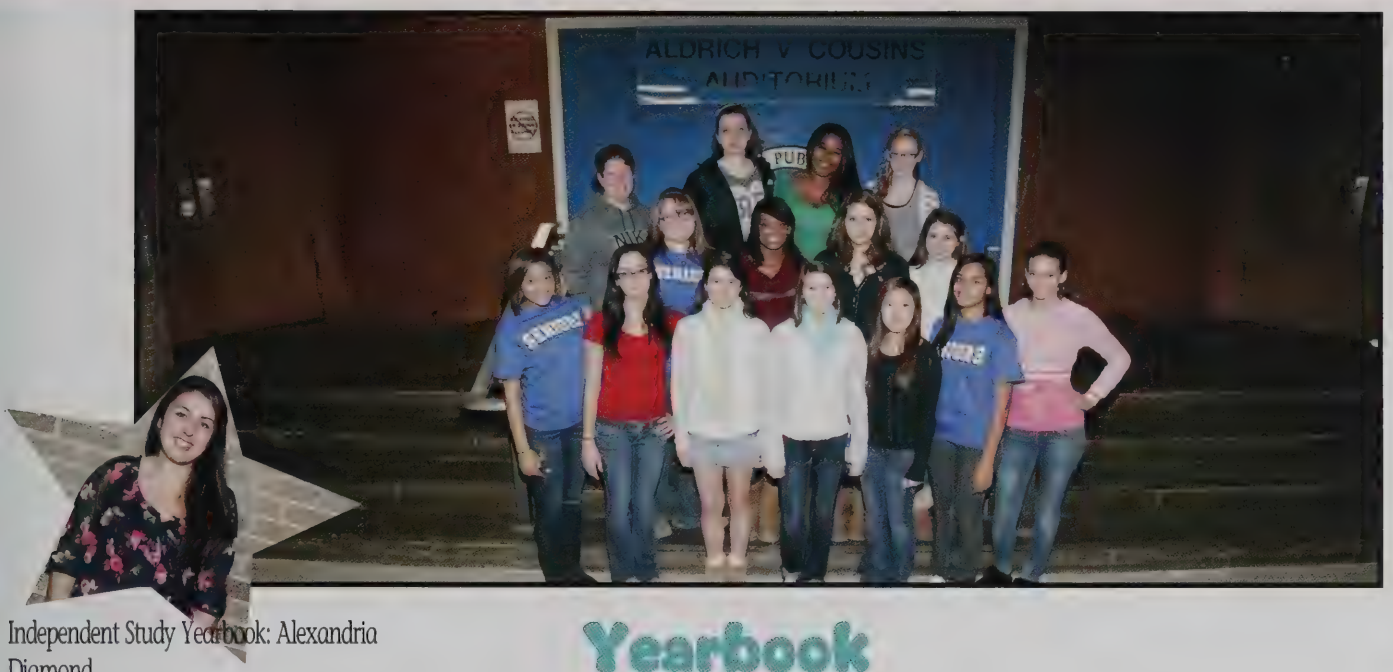

The Computer Tech program provides students with the basic principles of electronics, technology, construction, design and repair students use state-of -the- art computer stimulations in the lab to understand the operations of complex circuits.

Marching Band

The Leominster High School Marching Band is a great club for students to come together and create outstanding music as well as forming great relationships with one another while working as a team. This year, the marching band performed music by Billy Joel, such as "We Didn't Start the Fire" and "Piano Man." The marching band performs a halftime show at the football games as well as entertaining spectators. They also volunteer and perform at many community events such as the Johnny Appleseed Festival and the Memorial Day services. The LHS Marching Band had an amazing season, obtaining its first ever four-star rating at the MICCA Competitions. As the year goes on, we will always find the band students there ready to help and cheer on LHS.

Jazz Band

This group is made up of many talented jazz musicians. They are always practicing for their various gigs that they perform around the city as well as throughout our community. They are hardworking and dedicated individuals that have a tendency to make people dance.

G.I.V.E

G.I.V.E stands for Getting Involved in Volunteer Experiences. Students that are members of G.I.V.E particpate in projects that benefit the Leominster High School community and the city of Leominster. G.I.V.E members particpate in a warm clothing drive, providing food for people that are in great need, Treats for the Troops, school improvement projects, and festivals at Sholan Farm.

Fine Arts

The Fine Arts/Drama Club allows students to display their talents and abilities on stage and behind the scenes. Students learn to appreciate both sides of the theater and the importance of working as a team in order to make productions successful.

Art/Sewing Club

Art 4 CSL's mission is to provide students with oppurtunities to explore and discover ways to give back to the LHS community and greater Leominster through the arts. Students learn leadership skills such as organizing, and carrying out large-scale projects. These projects include grant writting, public presentations, fund raising, creating ceramics, and painting murals.

Chorus

The Leominster High School Chorus is directed by Mr. Pierce. They sing at many events in school and throughout the community. The group performed at the musical spooktacular at City Hall, concert for our Veterans, LHS winter concert, Sky View winter carnival, and LHS spring concert. The LHS chorus is very proud of the formal wear which they have worked hard to purchase this year. One of the highlights of this year is "Chorus in the Round" an event that features over 300 singers from all over Leominster every spring. LHS Chorus members have participated in the Massachusetts Central district Choir at Mechanics Hall in Worcester, All state Choir at Symphony Hall in Boston, ACDA Honor Choir at UMass Amherst and the All New England Choral Festival.

Student Council

Student Council is a very influential club at Leominster High School. They are in charge of running school events that promote school spirit, such as Winter Carnival, the annual pep rally, and Meet for a Treat. At the same time, the council makes contributions to the community through the Canned Food Drive, Toys for Tots, and fundraisers for disasters that may occur. Student council also promotes leadership skills in their members through conferences such as MASC and CDMASC in order to help elected members better represent their class and school.

Renaissance Club

The Renaissance Club is a combined effort between LHS and the local buissness community to reward students for their grades, conduct, and citizenship. The club is open to all students who have a desire to strengthen the ties between the high school and local buissnesses. The primary focus of the clubs is to organize and run three assemblies held during the course of the year.

Asian American Club

The Asian American club has been in existence for thirteen years. The club members get together to share cultural background and to have fun. Students gather in order to bring awarness of different cultures within the Asian community.

El Dia De La Raza

"El Dia De La Raza" means "The Day of The Race" At LHS it represents a celebration of the Latino culture. The Lationo youth representing different countries in Latin America work together to organize activites such as dances, field trips, and an educational school presentation. The purpose of the club is to celebrate the similarities and differences among the Latin cultures as well as raise consciousness of diversity that lies within our own student body.

Black Heritage Club

The black Heritage Club consists primarily of African American students whose purpose is to bring students whose purpose is to bring forth a history of African American heritage to our school and community through various means such as bulletin boards, public announcements, and the Black Heritage Assembly. This year the club was advised by Ms. Perkins.

Spanish Club

The Spanish Club meets on the second Tuesday of the month. We have a variety of activities including: Cooking meals from Spanish Speaking countries; learning dances from Spanish speaking countries (El Paso Doble, El Tango, La Sevillana); celebrating holidays such as Dia de los Muertos, La Feria de Abril; watching movies; annual visit to Boston to museums.

French Club

French Club provides an environment for students to delve into the world of French and Francophone culture and the beauty of the French Language. The club is planning many different events and activities for the year, including movie days, a dinner night, and possible field trips. We hope to become a strong and prominent part of the Leominster High School community.

Gay/Straight Alliance

The Leominster High School Gay/Straight Alliance is dedicated to being a safe place for GLBTQQS (Gay, Lesbian, Bisexual, Transgender, Queer, Questioning, and Straight) youth. We stress acceptance and confidence (what is said here, stays here). Through our actions, we aim to bring togeher all GLBTQQS youth, eliminate the fear of coming out, and make a safer place for all GLBTQQS youth. We hope to eliminate homophobia, raise awareness, and eradicate hate and prejudice.

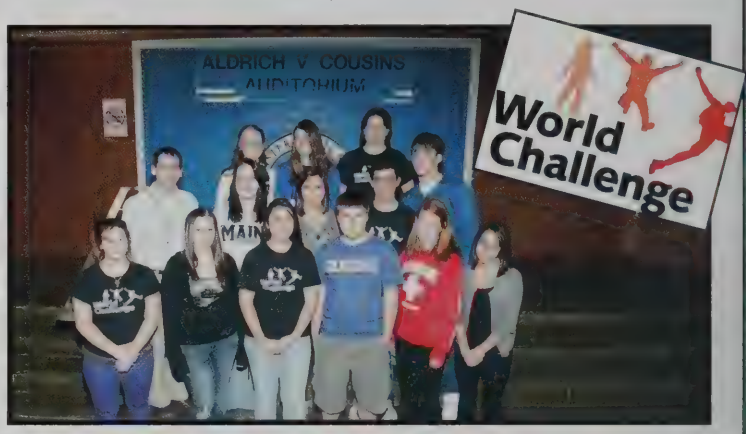

Debate Club

The debate club, advised and founded by Mr. Kyne during the 2009-2010 school year, is a club where students get together and participate in friendly debate. Our purpose is to get students socially involved, which is a key trait for college in the future. We meet every Thursday after school to debate controversial topics such as legalizing marijuana, airport security, drinking age, and many other topics. We split up into two teams where we have an opening statement followed by a rebuttal. Teams try to make a persuasive argument to change the views of the opposing team. Debate club is full of friendly people and provides a place where you can get deep into conversation with just about any topic and it is always a friendly debate where no ideas are put down. The members of the debate club always welcome new members.

Skills USA

Skills USA is a national organization for teachers, high school, and college students who are preparing for careers in technical, skilled, and service occupations. Skills USA was formally known as the Vocational Industrial Clubs of America.

World Challenge

World Challenge expeditions develop skills through service learning programs culminating in a team expedition overseas. World Challenge works with middle schools, high schools, colleges, individuals and groups, to ensure each participant benefits from a wide range of leadership and personal skills development, community service opportunities and off the beaten path exploration. World Challenge programs promote self-discovery and a better understanding of the world. Students participate actively at every stage of the program, from planning phases to the expedition itself.

FIRST Robotics

FIRST robotics competition (FRC) is a unique varsity sport of the mind designed to help high school-aged young people discover how interesting and rewarding the life of engineers and researchers can be. The FIRST Robotics competition challenges teams of young people and their mentors to solve a common problem in a six-week timeframe using a standard "Kit of parts" and a common set of rules. Teams build robots from the parts and enter them in a series of competitions designed by a group of engineers. FIRST redefines winning for these students. Teams are rewarded for excellence in design, demonstrated team spirit, gracious professionalism, and maturity and the ability to overcome obstacles. Scoring the most points is a secondary goal. Winning means building partnerships that last.

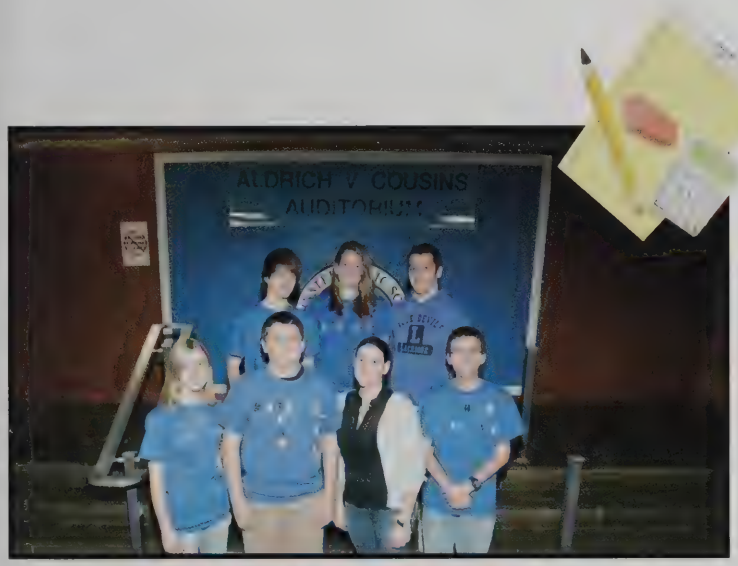

Invisible Children

Invisible Children is a club that focuses on the fight of child soldiers in Africa, primarily Northern Uganda and the Democratic Republic of the Congo. we started in May 2009, and have been actively spreading awareness through the school and communiity by fundraising and screening the Invisible Children documentaries.

Friends of Rachel

Rachel's Challemge is an organization in which students come together to promote an environment of acceptance and kindness throughout LHS. Friends's of Rachel promotes this by coordinating fun and eductional activities.

Math Team

The Math Team consists of several students, headed by Ms. Simpson, competing in numerous math competitions each year to gain experience. Each student compete in three of the math rounds in addition to the team round. This year was the sixth year Leominster had a math team and its only made the students and team stronger.

Recycling Club

The Recycling Club has been an organization at Leominster High School for the last four years. The aim of the club is to promote environmental awareness in the school. Anyone interested in the club is urged to attend meetings. Meetings occur every Wednesday after school in room A102. Members of the Recycling Club go around the building collecting the large green recycling totes and bringing them out toward the back of the building where they will be emptied first thing on Thursday morning.. Later that day the Life Skills students return the emptied bins to their assigned locations.

Psychology Club

The LHS psychology club makes the science of the psychology accessible to the Leominster High student population. Some of the club events include guest speakers, agency visitations, community service projects, movie nights, field trips, book discussion dinners, career exploration, and information in general concerning modern day issues in psychology. Another goal of this club is to raise awareness around the many issues related to mental illnesses in the United States today.

Mole Society

Every year the Mole Society takes pride in their experiments. They're advised by Ms. Jablonski, who has dedicated her entire life to science, espically chemistry. They enjoy conducting various experiments with electricity and fire. They are in charge of conducting Mole Day and Faraday lectures.

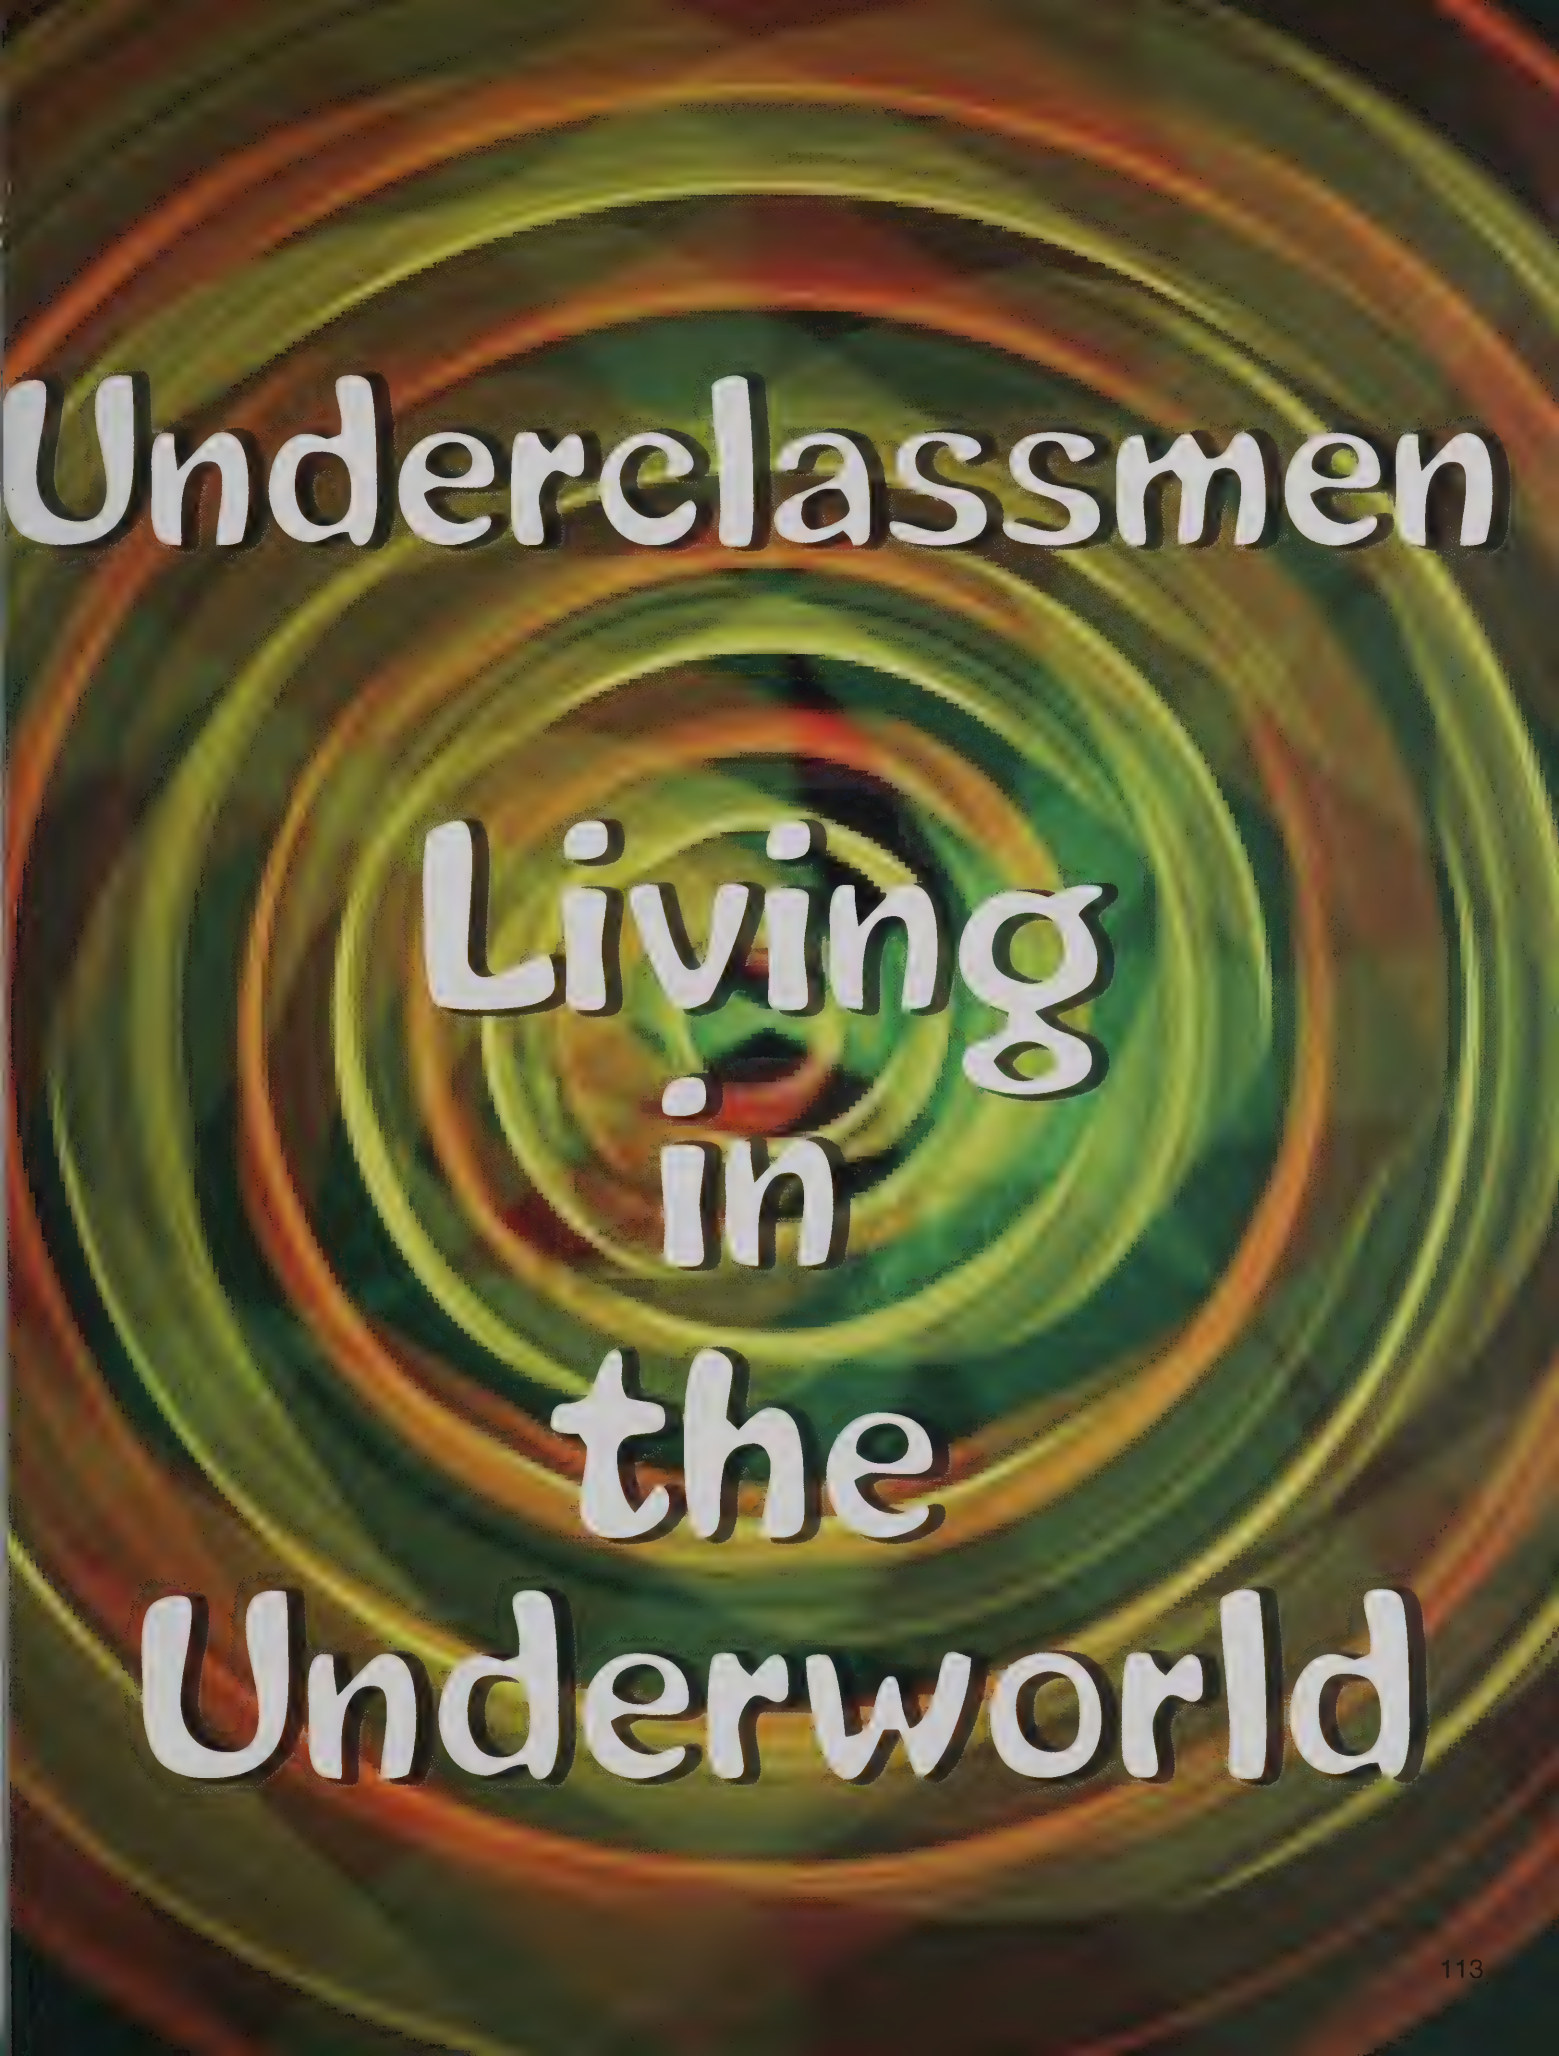

Sign Language Club

The LHS Sign Language Club is an eductional institution that meets once every week to learn more about signing and deaf culture. Headed by Ms. Allardice, a fluent signer, we combine teaching, games, snacks, and some immersion into our weekly routine, all in a friendly noncompetitive enviorment. This club includes both newcomers to the language and more experienced signers alike.

Book Club

Existing since 2008, the LHS Book Club offers a place for passionate readers to come and enjoy reading with others. Members became close during meetings, group discussions, and our field trip to the Boston Athenaeum. Mr. Lane along with co-presidents Alesha Perella and Zara Ashfaq are the leaders of our energetic and bold bunch.

Good VS Evil

Tom Browne
Principal

To the Members of the LHS Class of 2012,

As the year began, we were all aware that the 2011-2012 school year would be a bit strange for everyone at Leominster High School. After all, entire sections of the school were off limits, there were odd noises and smells that popped up from time to time, and you never knew what the next week had in store for you. Not to mention the fact that you had to get to school by 7:00am sometimes just to ensure that you had a parking spot!! However, as I sit here to write my annual letter, I believe I have realized the oddest part of this year is the fact that there is not a flake of snow on the ground in the middle of January!!

Yes, this certainly has been an odd year, but through it all, the Class of 2012 has more than persevered. Your consistent ability to stay focused on your academic and extracurricular challenges has resulted in great successes in the classroom, auditorium and athletic fields. Of course, this year we get to include Gillette Stadium as one of our fields following our great Super Bowl victory in December! I urge each one of you to maintain this ability to manage, adapt and overcome the random challenges that will confront you in your life. You cannot always predict the obstacles that will rise up during your life's journey so your ability to "go with the flow" will serve you well. I wish you all continued success in whatever path you choose to take!

Good Luck and Farewell,

Thomas Browne

The LHS Varsity Cheerleaders had an incredible season filled with great opportunities. The competition team claimed both the MIDLAND WACHUSETT LEAGUE TITLE and the CENTRAL MA DIVISION 1 REGIONAL TITLE. They finished up their season placing 6th in the State and qualifying for the American Showcase National Cheerleading Competition to be held in Anaheim, California in April. The season was topped off as the ladies in blue cheered their football team to victories over rival Fitchburg...not once...but twice! The grand finale of the season came as the cheerleaders got the opportunity to perform on the 50 yard line at Gillette Stadium during the super bowl...once again cheering their team to victory!

The 2011 Varsity Football season got off to a rough start with 3 straight losses. However, with strong leadership from the senior class and a focus on teamwork, family and discipline, the Blue Devils were able to put together a 10 game winning streak and capture the Division 1 Super Bowl Championship, held at Gillette Stadium, in front of many crazed Leominster fans. During the winning streak the "TEAM" was able to shut out Brockton 33-0, beat St. John's in overtime, and beat Fitchburg on Thanksgiving Day! During the playoffs the Blue Devils, home at Doyle Field, beat Fitchburg 26-25 in one of the most exciting games between the two schools ever! Finally, this "TEAM" was fortunate enough to be able to play at Gillette Stadium for the Division 1 Central Mass Championship against St. John's, the game was televised on Comcast Sports Net and some New England Patriots were in attendance for parts of the game. The final score was Leominster 21 and St. John's 6. This victory marked the 11th time that Leominster had won a Super Bowl Championship, which tied a Mass. State Record.

The Boys Varsity Soccer team struggled through a difficult season after losing a lot of players from last years' team. However, despite finishing with a 1-15 record, there were a few bright spots for the Devils. The one obvious highlight was the victory in Fitchburg where the Devil returned with a 7-0 victory. In that win, Senior Captain Jerry Tamfu led the team with a hat trick. Tamfu was the leading scorer with a total of 10 goals scored. He was rewarded for his efforts with a spot on both the Mid-Watch All-Star team and the Central Mass All-Star Team. The other captain of the team, Mitchel Oldham, was a big contributor also. Oldham did a great job at the central midfield position and provided much needed leadership. The team also saw big improvement over the course of the season as a young defense started to come together. Defensive leadership was provided by Shaquille Belle, the only senior on the defense. Junior Goal Keeper Rondinelle DePaula played every goal in net for the Devils and his efforts kept the team competitive in a lot of games.

Under the leadership of Coach Lane, the Girls Varsity Soccer team put up a tough fight throughout the season. The team grew closer and began to play as a team as the season progressed. The 2011 Captains, Rebecca Snow, Isabella Perla and Katarina Stassen, made a tremendous contribution to the team this year. The team lost a valuable and loud player, Danielle Lefebvre, who was the teams goalie. Through the tremendous effort of Stephanie Nartey, she was able to save a large amount of shots taken on her. The leading scorer of the team this year was Antonia Iaquinta. Although the team will be losing three amazing key players next season, the team hopes to thrive and stay competitive.

The 2011 Leominster Varsity Field Hockey Team made it through an exciting season under the helm of Coach Tricia Nicholson and assistant coaches Katie Foley, Kristen Murray and Kerry McCann. The girls shined making it to the Quarter finals this year and ending the season with an outstanding record of 12-6-2 scoring a total of 38 goals while only 12 were scored against them. It was a sign of all their hard work throughout the season. The talented group of seniors includes Capt. All-Star Olivia Nowokunski, Capt. All-Star Bianca Zarella, Capt. Maddison Dyment, Capt. Guiuliana Zarella, Catherine Brow, Sherra Dowling, Haylee LaBell, and All-Star Andrew Powers. Powers had an amazing season this year in net with a total of 118 saves, 10 shutouts and a 0.93 save percentage. Jr. All-Star Dominique Zarella was the teams leading scorer with 12 goals and 6 assists. The team also received strong contributions from its four juniors and seven sophmores showing a glimpse of another great year to come!

The Leominster Girls Volleyball team worked very hard this year finishing 6-8 under the guidance of senior captains Samantha Comeau and Sara Pelletier. Each player on the team improved and gained more confidence throughout their high school career especially the tight-knit senior class which included Samantha Comeau, Sara Pelletier, Alexandia Dimond, Sadie Landon, Jessica Hiatt, and Julia Bumpus. The entire volleyball team prides itself on sportsmanship and team play and the philosopy carried throughout the season.

The 2011 golf season saw the team return to its longtime home course at Mount Pleasant Country Club in North Leominster. The return meant that this year's senior class comprised of Brandon Brideau, Adam Leger, Dalton Goddard and team captains RJ Johansson and Brice Erickson would be playing on their fourth different course in four years.

The 2011 campaign saw the team finish with a 4-12 record, missing the District Tournament for the first time since 2003 and only the second time since 1998. The team placed sixth at the Mid-Wach A League Championship Tournament at Townsend Ridge Country Club. The highlight of the season was sweeping archrival Fitchburg by a combined eighty-three strokes.

The team was led by season scoring champion and Most Valuable Player Dalton Goddard who posted a 41.44 season average while earning team medalist honors five times throughout the season. Dalton was Leominster's lone representative at the Division One District E championship which was contested at Wachusett Country Club where he placed 14th out of 71 and narrowly missed a berth in the State Championship by a mere stroke.

Team Captains Erickson and Johansson were this year's recipients of the Coach's Award while Tyler "Two-Chives" Wade was selected as the team's Most Improved Player. Expectations are high for the 2012 season with new captains JT St. Jean and Tyler Wade looking to return the team to prominence while leading a talented, yet unproven group of young players.

Although our overall team may indicate a tough season, individually the season could be considered a success as all our wrestlers experienced significant growth in their wrestling skills. Small numbers combined with an inexperienced team contributed to the team record but looking back towards the beginning of the season the improvement in each wrestler is quite noticeable. Despite these obstacles we were able to win two matches as a team and several wrestlers had winning records and look to place at the end of the year tournament. Those wrestlers that stuck with the team all year worked hard everyday in practice, gave everything they had on the mat and made me proud to be their coach. With most of the team coming back next year, we have an encouraging future ahead of us.

We had a great 2011-2012 season on the LHS Swim Team! We are a co-op with Monty Tech and North Middlesex Regional High School. Led by our Captains Kim Contreras (LHS), Katrin Hayward our swimmers from all three schools came together as one team to support each other throughout each and every practice and meet.

LHS Junior Captain Kim Contreras, along with Katrin Hayward, and Hannah Lawrence, attended the Massachusetts South/Central Sectional Championship meet to compete in the 200 Freestyle Relay. Sophomores Kenyon Kowalski and Carlos Ordoñez returned for a second year. Our Freshmen Sam Dodson and Sam Zick and first year swimmers Josian Duran, Ivan Colón-Valentín, and Tyanna Torres joined us with infectious enthusiasm and team spirit. We cannot wait to see what next season brings!

We are sad to see seniors Mike Stockwell, Brandon Langston, and exchange student Sofie Grimstad leave us. Thanks for your hard work! Good luck in the future and keep swimming!

The Varsity Boys Basketball team finished the year with a record of 6-14 but competed throughout the year. Big league wins over Shrewsbury and Algonquin were a sign of things to come as they ended the season with a thrilling double overtime win over rival St. Bernard's 84-80. Seniors Anthony Perez and co-captains Shaun Addo and Kevin O'Connor provided great leadership for the many younger players on the roster. Kevin O'Connor was also named a unanimous league All-Star. Six sophomores and three juniors rounded out the team and provided a bright future for Coach Dubzinski.

The Leominster girl's basketball team had a highly successful 2012 season. The lady Devils worked extremely hard in winning 9 games, falling 1 game short of qualifying for the Central Massachusetts Division 1 district tournament. The lady Devils were led by strong contributions from seniors Olivia Nowokunski and Samantha Comeau. Leominster made its mark this season by playing intense full court pressure defense and up tempo fast break offensive basketball. Big victories against teams like Pittsfield and Westboro keyed a early season run. Also contributing to the team's success this season were juniors Kat Romano and Betsy McNiff. Rounding out this year's squad were sophomores Quinn O'Connell, Taylor Skinner, Sarah Arsenault and Gina Dedo as well as freshman Erin Stephenson and Dayna Kowesky.

Jumping for a victory!

The 2011-2012 Indoor Track team had an excellent season with many personal bests. The team was led by co-captains Kevin Cerritelli, Sadie Marciano & Katya Stassen. For her perseverance, leadership, and winning mindset, Sadie Marciano was named the Most Valuable Player. Also showing a strong effort for the Lady Devils was freshmen Kelsey Bedard, whom was named Most Improved Player. Captain Katya Stassen's dedication and sportsmanship earned her the Coach's Award. On the boy's side, Captain Kevin Cerritelli was always in it to win it, and was named Most Valuable Player. The Most Improved Player Award went to Nico Dandini for his stand out performances and enthusiasm. Finally, Thai Huyn earned the Coach's Award for his continued successes. Everyone can be proud of their accomplishments and while we will miss the graduating seniors, we look forward to another fun filled season next year.
